U.S.G.A. Rules Shall Govern Play

Tees

Males 70 and over may play the YELLOW tees

Males 60 and over may play the GREEN tees

All other males must play the WHITE tees

Females will play the RED tees

Format of Play

Saturday

Front Nine (Holes 1-9)

Modified Chapman

Teams Receive 25% of Their Combined 18 Hole Handicap

Each player hits a tee shot, then plays their partner's ball for the second shot.

The best shot is selected after each player has hit the other's tee shot.

Shots are then alternated until the ball is holed.

Back Nine (Holes 10-18)

Scramble

Teams Receive 15% of Their Combined 18 Hole Handicap

Both players tee off.

The team then selects the best shot and marks their position.

You may place your ball within one club length of this spot, no nearer the hole.

When placing your ball, you must remain in the same condition.

Both players play from there and continue this way until the ball is holed.

When placing the ball on the green it must be within six inches of its original spot.

Sunday

Front Nine (Holes 1-9)

Both Balls

Each Player Receives 100% of Their Handicap

Both players play their own ball.

The team will combine the two net scores per hole between them.

Maximum score net triple bogey.

Back Nine (Holes 10-18)

1 Better Ball of 2

Each Player Receives 100% of Their Handicap

Both players play their own ball.

The team will take the lowest net score per hole between them.

Other

The embedded ball rule is in effect.

A rained-out round will not count towards the tournament scoring or be rescheduled.

First place ties shall be broken by sudden death using Sunday's front nine format.

All other ties shall split prize monies.
